- **New Horizons** If you didn't already know there is a new project in Minehead called New Horizons which is a development to include a new hospital, swimming pool and sports centre. The planning is going through now and the new hospital is going to be on our pitch!!! Fear not as a new pitch is in the pipeline, we will keep you posted on any future developments on this issue.
- **Fantasy League** Thank you to everyone who has taken part in the fantasy league. I also want to remind everyone that there is an award at the end of the year to the best fantasy league player, so every training session counts!
- **Training** If you have joined recently please can you pay your subs to Carol. This covers all your training and your affiliation to the club. This is a bargain because most clubs are at least £100 without training included. If you do not want to join but want to train with us then training is charged at £2 per session.
- **Pub Quiz** This is going to be held at the Britannia Inn on the 10th February at 7.30. Bring friends and family along, everyone welcome.
- **Rule Changes** Just to let everyone know that there have been a few rule changes since the 1st January see www.EnglandHockey.co.uk for further details
- **Website** We are looking into setting up a new website as the server has expired on our current one. If you require any details then please contact Bubble on the email address below.
- **Contact Details** Please can everyone make sure they have filled out the registration forms even if you are not joining the club. This helps us to keep an up to date record on contact details. Please let your captain know if any of these details change. Please can you either text or email your name, address, contact number and email address to 07810881628 or 07720388299 or lauradouble@aardvarkem.co.uk

England Hockey news

Great Britain Youth Win Gold and Silver own Under—22/01/07

Great Britain Youth Women and men will return to the United Kingdom with a gold and silver medal respectively. To read the reports see the link below.

Congratulations to both squads for a very successful tournament.
