September 2008

Club Match

The club match will be on 2nd September 2008 at 6.45pm instead of training. If you are unable to attend but would still like to be playing this season then please let the team captains know. Everyone welcome so please come along.

2008/2009 Fixtures

The fixtures for this season are on our website now so please see there for details. The match cards will be available shortly will all the details as well.

Registration Forms

Please see Eileen or the website for a registration form. This needs to be completed with your sub for this year before the first league game. It was agreed at the AGM for the sub and match fees to stay the same as the previous year—£30 for seniors £20 for juniors match fees £5 seniors £3 juniors or non wage earners.

Team Kit

If anyone is requiring a shirt or hoody for this year then please see Bubble as we have some additional kit that can be purchased. We are also purchasing some new goalie kits this season for both teams.

Training and Coaching

As most of you will already be aware (or those that have already been to training) that Bubble will be taking most of the senior coaching for the ladies for this season. Please can everyone try to attend training each week so we can work in teams on set plays etc. If you are unable to attend then please contact your captain to let them know.

New Pitch

Just to keep you all updated. The last that I have heard is that the new pitch should be ready by January 2009 but looking at it at the moment I think it will have to go some to be ready! The club are planning to have training indoors in January and February this is to be reviewed and could be brought forward if the winter is bad and the pitch is not playable.

Sponsorship Forms

As always at this time of year we are looking for companies to sponsor a match. Please see either the website or Eileen for a sponsorship form. If everyone can try to get one sponsor then it makes life easier for Hazel who normally does the lot!

Gum Shields

Please can everyone try to make sure they have a gum shield for this year and wear it at every game and training session. Over the past few seasons we have seen a few accidents happen and this can cause not only a physical pain but a financial one. I believe that there is a local guy that can provide a very competitive quote and will give discount for group bookings. Please see Hazel for details as I believe she has them.

Dates for your diary:

2nd September Club Match 6.45pm Minehead
